2025 SCHOLARS' DAY CELEBRATION SPONSORSHIP OPPORTUNITIES

The 2025 Scholars' Day Celebration (SDC) is here & Operation Jump Start is thrilled to celebrate over 30 years of excellence serving the Long Beach community at this year's event!

As we prepare for SDC, we are seeking partners who share our passion for serving our Long Beach community and who would be interested in supporting our mission.

Your sponsorship would not only help us reach our goals but also provide your brand with significant exposure to a targeted and engaged audience. In this packet, you will find more details about the event and the various available sponsorship opportunities.

SDC allows us to honor our scholars' remarkable achievements, alongside their families and mentors. Your support of this event would be greatly appreciated as we recognize the dedication and hard work of these exceptional individuals.

Today's scholars face unprecedented challenges, particularly as they navigate a post-global-pandemic world as first-generation students. Your support not only provides them with the necessary resources but also opens doors to countless opportunities for their future success.

Thank you for considering the impact you can make by becoming an official SDC event sponsor. Your partnership is invaluable as we strive to empower the next generation of leaders and achievers.

Gratefully,
Irene Quevedo,
Chief Executive Officer

About Us

Who We Are

Founded in 1994, Operation Jump Start (OJS), a local Long Beach nonprofit organization, provides comprehensive resources, backing, and mentoring support that enable youth in underserved communities to reach their full potential through a college education. Since its inception, OJS has provided programs and mentoring that enable students to achieve educational opportunities they never thought possible.

What is Scholars' Day?

Scholars' Day Celebration is by far the largest public event that Operation Jump Start puts on each year. Scholars' Day is an opportunity to celebrate our graduating senior class — entirely made up of Long Beach students who will be the first in their families to attend college. Similar to a graduation celebration, Scholars' Day allows students, parents, mentors, and the greater OJS community to gather and celebrate the central point of our mission — Making college dreams a reality!

Past Scholars' Day keynotes feature prominent and established champions of education such as CSULB President Jane Conley, UC Davis Chancellor Gary May, and Congressman Robert Garcia.

We expect our upcoming Scholars Day Celebration to be an even more successful event and a wonderful opportunity to come together as a community to celebrate college access and success within Long Beach!

When

June 14, 2025
9:30am - 12:30pm

Where

Long Beach Yacht Club
6201 Appian Way
Long Beach, CA 90803

By the Numbers

Partnering with OJS is not only an investment into the youth and community of Long Beach, but it's also an opportunity for the sponsors to align themselves with a valued local organization and all the benefits that come from doing so.

Founded in 1994, we have **over 30 years** of service to Long Beach students and the community. The opportunity to partner with OJS is a wonderful way to give back to and support your community and reach a new audience.

OJS as a mentoring organization has matched well over 1,000 students with qualified, professional mentors. Our network spans a variety of industries, including Fortune 500 executives, local business owners and restauranteurs, C-suite executives, and even previous mentees.

It's not only students we interact with. Every year well over 5,000 teachers, volunteers, mentors, funders, and local residents come through our doors. OJS is part of the community,

With over 4,000 people on our mailing list (not to mention a 46% open rate), and over 2,500 combined social media followers (99% of them residing in Southern California), OJS has positioned itself to reach the Long Beach community in a variety of ways.
